This is a live, online, eight-week course covering California state court practice and procedures, as well as best practices and ethics for the legal support professional. It is designed for beginning-level students or for those who desire a refresher in basic legal procedure. Previous work experience in an office or law office setting is strongly recommended.

TOPICS COVERED

- Court Structure, Best Practices, and Ethics
- Civil Litigation
- Discovery
- Calendaring
- Citations
- Family Law
- Probate/Estate Planning
- Transactional Law
